

NOTICE OF A CITIZENS' INFORMATIONAL WORKSHOP FOR PROPOSED  
IMPROVEMENTS TO THE INTERSECTION OF U.S. 70 AND SLOCUM ROAD IN  
HAVELOCK

TIP Project No. R-5516

Craven County

The North Carolina Department of Transportation proposes to improve the intersection of U.S. 70 and Slocum Road. The primary purpose of the project is to improve future traffic congestion and to enhance access to Marine Corps Air Station (MCAS) Cherry Point.

NCDOT will hold a meeting to update the public about the intersection improvement project on **Tuesday, June 25**, from **4 – 7 p.m.** at the **Havelock Tourist & Event Center**, located at **201 Tourist Center Drive** in **Havelock**.

The purpose of the meeting is to present the preliminary design alternatives and to receive public input on the selection of a preferred alternative. Interested citizens may attend at any time during the meeting hours. NCDOT representatives will be available to answer questions and listen to comments regarding the project. Citizens will also have the opportunity to submit comments and questions in writing. The comments and information received will be taken into consideration as the project develops. There will not be a formal presentation.

For more information, contact Matthew Potter, Project Manager, NCDOT Project Development and Environmental Analysis Unit, by phone: (919) 707-6036 or by email: [mwpotter@ncdot.gov](mailto:mwpotter@ncdot.gov). Citizens may also contact consultant Lou Raymond, with AECOM, at (704) 556-5047 or by email: [lou.raymond@aecom.com](mailto:lou.raymond@aecom.com).

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who want to participate in this workshop. Anyone requiring special services should contact Jamille Robbins, NCDOT Public Involvement Group Leader, at (919) 707-6085 as early as possible, so arrangements can be made.

Persons who speak Spanish and do not speak English, or have a limited ability to read, speak or understand English, may receive interpretive services upon request prior to the meeting by calling 1-800-481-6494.
